

1624R

CNC Router/Engraver

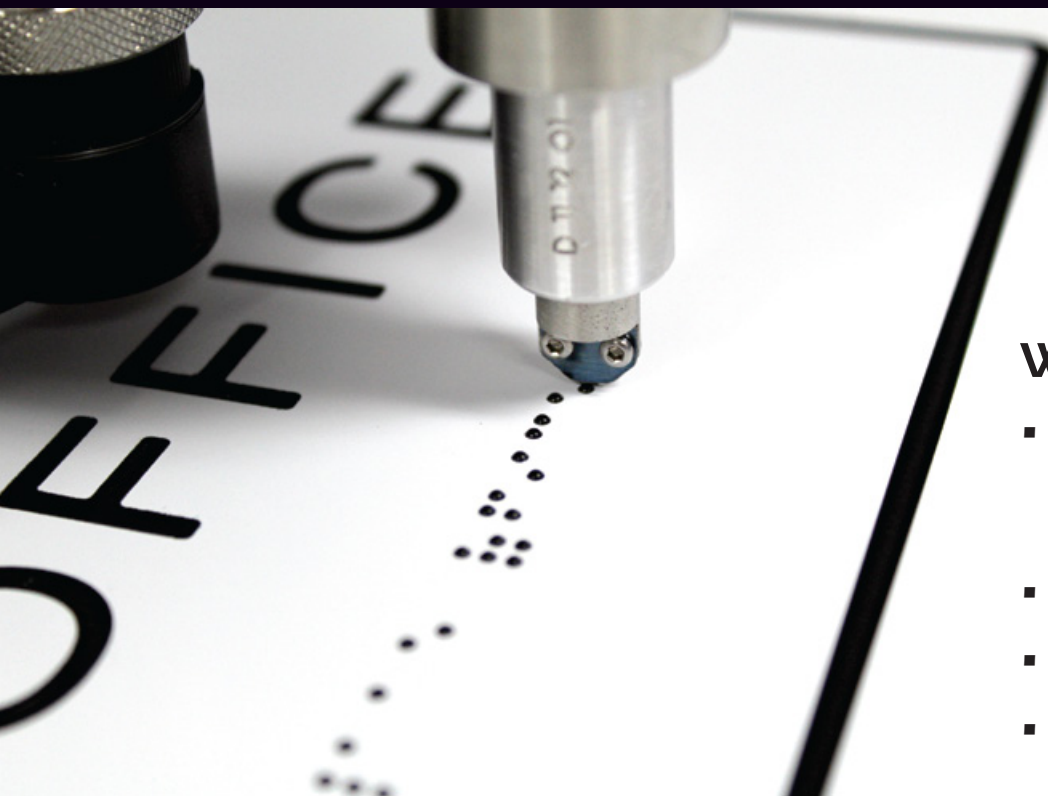

The 1624 R offers huge capabilities in a small footprint and can produce accurate, repeatable, cost-effective work in considerably less time than it takes to do the same work by hand. Featuring our state-of-the-art Vision high speed Series 4 Controller, our graphically advanced Vision software, and Red Laser Pointer for easy job setup, this machine is perfect for a wide variety of applications.

Huge Capabilities in a Small Footprint!
